

## Executive Order 2020-21 - Illinois.gov

### EXECUTIVE ORDER IN RESPONSE TO COVID-19 (COVID-19 EXECUTIVE ORDER NO. 19)

**WHEREAS**, I, JB Pritzker, Governor of Illinois, declared all counties in the State of Illinois as a disaster area on March 9, 2020 (First Gubernatorial Disaster Proclamation) in response to the outbreak of Coronavirus Disease 2019 (COVID-19); and,

**WHEREAS**, I again declared all counties in the State of Illinois as a disaster area on April 1, 2020 (Second Gubernatorial Disaster Proclamation, and, together with the First Gubernatorial Disaster Proclamation, the Gubernatorial Disaster Proclamations) in response to the exponential spread of COVID-19; and,

**WHEREAS**, in a short period of time, COVID-19 has rapidly spread throughout Illinois, necessitating updated and more stringent guidance from federal, state, and local public health officials; and,

**WHEREAS**, for the preservation of public health and safety throughout Illinois, and to ensure that our healthcare delivery system is capable of serving those who are sick, I find it necessary to take additional significant measures consistent with public health guidance to slow and stop the spread of COVID-19; and,

**WHEREAS**, social distancing, which consists of maintaining at least a six-foot distance between people, is the paramount strategy for minimizing the spread of COVID-19 in our communities; and,

**WHEREAS**, certain populations are at a higher risk of experiencing more severe illness as a result of COVID-19, including older adults and people who have serious chronic health conditions such as heart disease, diabetes, lung disease or other conditions; and,

**WHEREAS**, the Illinois Department of Corrections (IDOC) currently has a population of more than 36,000 male and female inmates in 28 facilities, the vast majority of whom, because of their close proximity and contact with each other in housing units and dining halls, are especially vulnerable to contracting and spreading COVID-19; and,

**WHEREAS**, the IDOC currently has limited housing capacity to isolate and quarantine inmates who present as symptomatic of, or test positive for, COVID-19; and,

**WHEREAS**, to ensure that the Director of the IDOC may take all necessary steps, consistent with public health guidance, to prevent the spread of COVID-19 in the IDOC facilities and provide necessary healthcare to those impacted by COVID-19, it is critical to provide the Director with discretion to use medical furloughs to allow medically vulnerable inmates to temporarily leave IDOC facilities, when necessary and appropriate and taking into account the health and safety of the inmate, as well as the health and safety of other inmates and staff in IDOC facilities and the community;

**THEREFORE**, by the powers vested in me as the Governor of the State of Illinois, and pursuant to Sections 7(1), 7(2), 7(8), and 7(12) of the Illinois Emergency Management Agency Act, 20 ILCS 3305, I hereby order the following, effective immediately and for the remainder of the duration of the Gubernatorial Disaster Proclamations:

Section 1. The following provisions of the Illinois Unified Code of Corrections, 730 ILCS 5/3-11-1, allowing for the furlough of IDOC inmates are hereby suspended as follows: (a) as set forth in Section (a), providing the allowable time period for furloughs, the phrase “for a period of time not to exceed 14 days”, is suspended and furlough periods shall be allowed for up to the duration of the Gubernatorial Disaster Proclamations as determined by the Director of IDOC; and (b) as set forth in Section (a)(2), the phrase “to obtain medical, psychiatric or psychological services when adequate services are not otherwise available” shall be suspended and furloughs for medical, psychiatric or psychological purposes shall be allowed at the Director’s discretion and consistent with the guidance of the IDOC Acting Medical Director.

Section 2. The IDOC shall file emergency rules as needed to effectuate the intent of this Executive Order.
