#### Dear Mr. Lec:

From June 29 to June 30, 2006, an annual review of the West Baton Rouge Parish Detention Center (WBRDC) located within the New Orleans Border Patrol Sector and the New Orleans District was conducted. I was the Reviewer-In-Charge (RIC), and was assisted in this review by Team Member  $\frac{(b)(6)}{(b)(7)}$  MOA. The review measured compliance with the Immigration and Customs Enforcement (ICE) Detention Standards. Attached to this memorandum are copies of the original Form G-324a, Detention Inspection Form, and the Field Office Detention Review Worksheet. All original worksheets and working papers are maintained in the appropriate file system and are available for review by the review authority.

### Type of Review:

This review is an Annual Review conducted by officers assigned to the New Orleans Border Patrol Sector as directed by HQDRO. This review was conducted for the purpose of determining overall compliance with the ICE Detention Standards. The facility has been in use by contract ACB-98-0052 since 1998.

### **Review Summary:**

In the past year WBRDC has made great strides in upgrading their facility IEA Sauls and I did not find any deficient areas this year.
