SUBJECT: Inmate Death Report # 2013-1768

SYNOPSIS

On November 28, 2013, at approximately 0525 hours, the Incident Command System (ICS) was initiated due to I/M James Copeland (ADC# 204865) being found in his cell, non responsive, in a pool of blood. Information obtained in the course of the investigation indicated I/M Copeland had pulled the cap off his vas catheter, which resulted in his death from Exsanguination (loss of blood). Registered Nurses Hinton and Shepard responded to the ICS and pronounced I/M Copeland deceased at approximately 0545 hours.

An administrative investigation was requested and conducted.

The following information, documents and relevant data relating to the death of Inmate [REDACTED] was integrated into the administrative investigation report in compliance with Department Order 1105.

NARRATIVE

On November 28, 2013, the Executive Report (**Addendum 01**) documented Nurses Hinton and Sheppard pronounced I/M James Copeland ADC 204865 deceased at 0545 hours. I/M Copeland was a [REDACTED] patient who suffered from [REDACTED] and [REDACTED] disease. Medical staff reported I/M Copeland pulled the cap off his PIC line (Vascular) which resulted in a huge loss of blood. I/M Copeland was housed alone in the IPC Unit at the time of the incident.

The Adult Information Management System (AIMS) listed I/M Copeland as a male, African American, with a date of birth of February 23, 1958 (55 years old) (**Addendum 02**).

AIMS listed I/M Copeland's Medical Score as [REDACTED] and Mental Health Score as [REDACTED] (**Addendum 03**).

At the time of I/M Copeland's death, his commitment charge was a Failure to register as a sex offender which carried a sentence of four years, five months and thirty days in prison (**Addendum 04**). I/M Copeland's previous incarcerations in ADC included Sexual Conduct with a Minor, which he was sentenced to one year in prison. I/M Copeland was also sentenced three additional times for failure to register as a sex offender, twice in 2009 and one in 2012, which he was currently serving his sentence.

I/M Copeland's housing included ASPC-Phoenix, ASPC-Florence and ASPC-Tucson where he was housed at the time of his death. A complete list of Copeland's Movement Activity is attached. (**Addendum 05**)

I/M Copeland's disciplinary for his previous and current incarceration included Lying to staff, Smoking in an unauthorized area, Disrupting count, Obstructing staff, False reporting, Disobeying verbal directives, and Harassment. I/M Copeland's entire AIMS disciplinary action query is attached (**Addendum 06**).

On November 28, 2013, Sergeant Mowen submitted SIR number 13-14118 (**Addendum 07**). Sgt. Mowen wrote CO II Barnett initiated ICS due to I/M Copeland being observed by PCT (Patient Care Technician) Short unresponsive and lying blood. Nurses Hinton and Sheppard responded to the ICS, evaluated I/M Copeland and determined he appeared to be deceased. I/M Copeland pulled the cap off his Vas Catheter and apparently bled to death in his cell.

Sgt. Mowen wrote Tucson Fire Department was contacted, arrived on scene, and confirmed I/M Copeland was deceased at approximately 0658 hours. Sgt. Mowen wrote the Medical Examiner and next of kin notifications were initiated, and as 0759 hours, next of kin notifications had not been completed due to the emergency contact number was out of service. I/M Copeland had no other persons listed for emergency contact. Sgt. Mowen wrote the Chaplin was notified and advised continued Next of Kin notification would be attempted.

Sgt. Mowen wrote the Medical Examiner arrived on site at approximately 0830 hours, and departed the facility with I/M Copeland's body at 0918 hours, a body receipt was completed (**Addendum 08**). Sgt. Mowen noted I/M Copeland was in the medical unit and was an [REDACTED] [REDACTED] and [REDACTED] patient in the Rincon unit. Sgt. Mowen wrote after the Medical Examiner departed the unit, the unit returned to normal operations.

On November 28, 2013, Sgt. Salva submitted a Use of Force/Incident Command Report (**Addendum 09**). The information provided by Sgt. Salva was consistent with the information submitted by Sgt. Mowen with the following exceptions. Sgt. Mowen reported the responding nurses determined I/M Copeland appeared to be deceased. Sgt. Salva wrote Nurses Hinton and Sheppard concurred I/M Copeland was deceased and pronounced him deceased at approximately 0545 hours.

In addition Sgt. Salva wrote an AED was utilized and did not recommend shock. Medical staff determined not to perform CPR due to the fact I/M Copland had bled out and there was not sufficient amount of blood left to try to resuscitate. Sgt. Salva wrote Nurse Hinton was directed by Dr. Burciaga to call 911, and have TFD pronounce the death of I/M Copeland, which they did at approximately 0658 hours.

On November 28, 2013, Sgt. Salva submitted an information report (**Addendum 10**), the report was consistent with the information Sgt. Salva submitted in his Use of Force/ Incident Command Report.

On November 28, 2013, CO II Villegas and CO II Matthews submitted information reports (**Addendum 11**) documenting CO II Villegas gathered and inventoried I/M Copeland's property and CO II Matthew's used a spill kit to clean I/M Copeland's cell (see IR for specific details of the cleaning of the cell).

In the course of the investigation information was obtained from CIU Investigator Cooper indicating I/M Copeland was last seen alive and well at approximately 0400 hours, by PCT Short, who reported the inmate was standing at his cell door requesting food. Investigator Cooper reported the Correctional Journal (**Addendum 12**) listed a check was conducted at 0446, and PCT Short reported finding I/M Copeland at 0525, when he returned to the inmate's cell to give him some food.

The Daily Post Sheet (Shift Roster) for November 28, graveyard shift, indicated 43 Correctional Officer (CO) positions were authorized, 42 Correctional Officers were actually assigned, 01 staff vacancies existed, 13 staff were on their Regular Days Off, 0 staff were away on Temporary Duty, 01 staff were out to Training, 0 staff were on Authorized Annual / Holiday Leave, 0 staff were on Military Leave or other authorized leave, (0) staff were on FMLA, 0 staff were sick, and 01 positions were Collapsed. The number of employees listed on the Daily Post Sheet as being present and on-duty for their shift was 23 (**Addendum 13**).

The Post Orders for Housing Security Officer, Post Order [REDACTED] effective May 19, 2012 (**Available Online**), were received and reviewed. The actions of officers working the housing unit appear to be within guidelines set forth in the post orders.

The Post Orders for Correctional Sergeant, Post Order 06, effective May 19, 2012, (**Available Online**) were received and reviewed, and appear to be within acceptable guidelines set forth in the Post Orders.

The Post Order for Health Services reference Inmate Resuscitation of Death was received and reviewed (**Addendum 14**). In section [REDACTED] General Orders, subsection [REDACTED] Pronouncement of Death can be called by a Physician, Nurse Practitioner, Physician's Assistant or Registered Nurse to determine death.

On December 10, 2013, AIU Investigator Barragan received an e-mail (**Addendum 14**) from Matthew Harvey, Facility Health Administrator at ASPC-Tucson. Mr. Harvey was responding to a request for information (**Addendum 15**) sent to him reference the death of I/M Copeland. Mr. Harvey listed Dr. Burciaga as the person who completed the review.

I/M Copeland's cause of death is listed as cardiac arrest due to exsanguination, two volume were reviewed, the initial Mortality review report was started on November 29, 2013, the inmates Health score was [REDACTED] Mental Health score was [REDACTED] medication were watch and swallow, I/M Copeland had no prior attempts of suicide, and no recent Health Need Request.

The Inmate Death or Serious Injury Checklist was completed (**Addendum 16**).

In compliance with Department Order 1105 (**Available Online**), the following relevant documents were obtained:

- Use of Force / Incident Management Report which documented the actions of staff and outside agencies, to include pronouncing inmate James Copeland dead on November 28, 2013 at 0545 hours, by Registered Nurses Hinton and Sheppard. Tucson Fire Department was also called out and confirmed I/M Copeland deceased at 0658 hours, via communication with Dr. Valenzuela.
- Significant Incident Report (SIR)
- Information Reports (IR's)
- Correctional Service Logs
- Staff Postings and availability
- AIMS history of inmate Copeland

A copy of the CIU (Criminal Investigations Unit) face sheet (**Addendum 17**) was obtained and mentioned a disagreement occurred between the two nurses who pronounced I/M Copeland deceased and direction given by Dr. Burciaga regarding them having TFD called in to declare I/M Copeland's death.

This investigator contacted CIU Investigator Cooper who advised, he interviewed several medical staff to include the Director of Nursing, Tammy Porter, and the two nurses who pronounced I/M Copeland deceased. Investigator Cooper reported all parties described the cause of death of I/M Copeland to be from a loss of blood due to him taking the cap off his Vas Cath, which was connected directly to his heart causing him to bleed out in approximately seven seconds. Investigator Cooper did not suspect any foul play and mentioned I/M Copeland was being treated for [REDACTED], [REDACTED] and could have accidentally pulled the cap off causing his death.

The following information does not include the entire text of the individual interviews. Only information which was considered pertinent to the actual incident or of significance is included. The complete digital audio recordings generated from these interviews were submitted to the Records Retention Unit.

SUMMARY:

- On November 28, 2013, at approximately 0525 hours, CO II Barnett initiated an ICS due to PCT Short discovering I/M Copeland lying on his bed in a pool of blood. Additional staff including Registered Nurses Hinton and Sheppard arrived on scene, and pronounced I/M Copeland deceased at 0545 hours.

- Nurse Hinton was directed by Dr. Burciaga to call 911, and have TFD pronounce the death of I/M Copeland. TFD arrived on scene, contacted Dr. Valenzuela at the Tucson Medical Center, who pronounced I/M Copeland deceased at approximately 0658 hours.
- Information obtained in the course of the investigation indicates inmate Copeland was last observed alive and well at approximately 0446 hours, during a security check/morning med pass. I/M Copeland displayed no unusual behavior.
- At approximately 0525 hours, PCT Short went to I/M Copeland's cell to give him some food he requested at 0400 hours, and discovered I/M Copeland lying on his bunk in a pool of blood. An ICS was initiated, Nurses Hinton and Sheppard responded and pronounced I/M Copeland deceased at approximately 0545 hours.
- Nurse Hinton was directed by Dr. Burciaga to call 911 and have TFD pronounce the death of I/M Copeland. TFD arrived on site and pronounced I/M Copeland's death at approximately 0658 hours via Dr. Valenzuela.
- On November 29, 2013, the Mortality Review, First Review, was completed and concluded I/M James Copeland's initial cause of death cardiac arrest due to Exsanguination.
- All relevant policies, procedures, and Post Orders were reviewed.

Incident Synopsis
 At approximately 0525 hours on 11/28/13 ICS was initiated by COII Barnett #5578 in [REDACTED] for I/M Copeland #204865. I/M Copeland was observed by PCT Short to be unresponsive and lying in blood. I/M Copeland pulled the cap off of his vas cath and apparently bled to death in his cell. When staff entered the cell CRN Hinton took I/M Copelands vitals and advised that he appeared to be deceased. CRN Shepard arrived and concurred with CRN Hinton's evaluation. At 0658 hours TFD arrived and pronounced I/M Copeland deceased. CIU Cooper was on site and confirmed determination with TFD. Coroner was called at that time. Next of kin notifications initiated.

At approximately 0525 hours on 11/28/13 ICS was initiated by COII Barnett #5578 in [redacted] for I/M Copeland #204865. I/M Copeland was observed by PCT Short to be unresponsive and lying in blood. I, Sgt Salva #6012, assumed command at 0529 hours. AED utilized at 0539 hours and electronically determined that shock was not an option. Medical staff determined not to do CPR due to the fact that I/M Copeland had bled out and that there was not sufficient amount of blood left to try to resuscitate. CIU Dahl notified via phone at 0540. I/M Copeland pulled the cap off of his vas cath and apparently bled to death in his cell. When staff entered the cell CRN Hinton took I/M Copeland's vitals and advised that he appeared to be deceased. CRN Shepard arrived and concurred with CRN Hinton's evaluation and pronounced I/M Copeland deceased at 0545 hours. Duty Officer COIV Hall notified via phone at 0549. At approximately 0615 CRN Hinton advised me that Dr. Burciaga had called and told her to call 911 so TFD could respond and make the determination or confirmation of death. At 0650 hrs TFD arrived on site and at 0658 I/M Copeland was pronounced as deceased. SIR was initiated at 0800. At 0820 Sgt Mowen #3247 assumed command of the incident. As of 0759 hours attempts to contact any next of kin are ongoing. The emergency contact number for inmate Copeland is not in service and he does not have any visitors. The Administrative Investigations Unit is conducting an investigation into the death of **I/M James Copeland # 204865**, occurring on November 28, 2013, at ASPC-Tucson, Rincon Unit.

In accordance with Department policy, I respectfully request a review of this inmate's medical records be conducted by either the FHA or the Supervising CRN, to obtain the following data, which will then be included as part of the administrative investigation report. Please email the information back to me at your convenience:

- **Date the medical record review was conducted / Name & title of reviewer.**
- **Number of medical record volumes on file for this inmate.**
- **Date the initial Mortality Review Report was started.**
- **Initial assessment as to cause of death.**
- **Has the Mortality Review Committee been Scheduled / Date convened**
- **When was the inmate first diagnosed with the condition (s) which attributed to his/her death?**
- **Inmate Health Score and Mental Health Score**
- **Was the inmate meds "Watch-swallow" and/or "Kept on person?"**
- **If suicide, were there any prior attempts, if so, please provide number of times, dates of attempt and method.**
- **Recent history of HNR's?**

Thank you for your assistance in this matter.

Ernest M. Barragan, AIU

Synopsis:

On 11/28/2013 I was contacted at approximately 0545 hours by Supervisor Erik Dahl to respond to an inmate death at ASPC-T Rincon house [REDACTED] I was forwarded the inmate information of James Copeland 204865 by email. I responded and arrived on scene at approximately 0630 hours. Upon arrival I was informed by Correctional staff that there was a disagreement between the two CRN's that were onsite and the on call Dr. Barciaga. Staff stated that CRN Hinton and CRN Sheppard were on site and pronounced inmate Copeland deceased at 0545 hours although when Dr. Barciaga was contacted via telephone Barciaga's instructions were to contact 911. TFD had not arrived on scene and at approximately 0658 they arrived and pronounced inmate Copeland deceased.
