---

*“One of the best-kept secrets — for seasoned and new practitioners alike — is NPAP's listserv of expert police misconduct litigators and reform advocates. Years before the nation openly confronted systemic police abuse of authority, NPAP pioneered peer-to-peer sharing of strategies among plaintiffs' attorneys while also offering top-notch CLEs. At this moment in history, Project membership is an essential tool for anyone interested in attaining social and legal justice.”*

Heidi Boghosian, immediate past Executive Director of the NLG
