Why advertise with PLN?

PRISON LEGAL NEWS is the premium source of national advertising to reach people concerned about prisoner rights and criminal justice-related issues — civil and criminal trial and appellate attorneys, judges, journalists, academics, paralegals, human rights activists, family members of prisoners, lawmakers and other government officials, and state and federal prisoners.

PLN has more than 9,000 monthly subscribers. We distribute several thousand additional issues each month to interested people and organizations by mail and at events. PLN has subscribers in every state and conservatively estimates that each issue is read by at least 90,000 people.

Unlike readers of free circulation magazines, ours have the income and interest to buy your product and services.

Who reads PLN.

According to our most recent reader survey, 60% of our paid readership purchased at least one product or service from a PLN advertiser in the preceding year.

Some of the largest and most prestigious public interest organizations in the United States regularly run public service and information-gathering ads in PLN. These public service advertisers include the Southern Poverty Law Center, American Civil Liberties Union and Human Rights Watch, among others.

PLN is the only nationally circulated magazine you can advertise in that goes into every medium and maximum security prison in the country and most of the lower security prisons as well. We have a solid track record connecting advertisers to their target audience since 1990.

No one else has our depth and reach. Our many long-term advertisers have found that Prison Legal News is the most effective and economical way to reach their target audience.

If you must reach people with an interest in prison issues, no other advertising medium even comes close to PLN.
Don’t take our word for it!
Ask any of our advertisers about the results they get from advertising with us! We encourage advertisers to track their ads so they can see for themselves.

“The letters came pouring in!”
—New York Law Journal

An article in New York Law Journal recently reported on the power of PLN:

“Among the best ways for a civil rights attorney to spread his name around, Anthony Ofodile said, is to win a case that gets picked up by Prison Legal News, a monthly magazine dedicated to protecting prisoners’ rights. In his case, after the magazine ran a story in 2006 on his $1.25 million settlement of a prisoner’s medical malpractice action, the letters began pouring in. He now receives well over a 100 letters a month, each outlining purported injustices committed by the government.”
P RISON LEGAL NEWS offers the 23 display advertising options shown on these pages. All dimensions are listed width first and then the height. Any ads submitted at incorrect size or shape will be resized to fit space, which may distort the look of the ad. If you are running an ad for multiple months, you can vary the ad by using a different size ad at no extra charge. For example, if you are running a 1/6th page ad for 3 months: The first month you could run a 2-col.-wide ad, the next month a 1-col.-wide ad, and the third month a 1-1/3-col.-wide ad. Please see technical specifications on back page.
