

Dental

Appointments four plus months behind

No full time dentist.

The number of waiting dental patients transferred from Wexford to Corizon for all three yards follows. Graham 92 inmates, Tonto 66 inmates, Ft. Grant 126 inmates.

Medical

Current wait times

Provider 1.7 days

Nursing 1.8 days

Mental Health 24 hours

No changes and no outstanding appointments in any of the disciplines.

Pharmacy

This monitor visited the complex last evening. Medical staff, were in contact with the site Manager. They believed they had adequate medications from Wexford to last them until midnight. They had medications on board from Corizon to be used after midnight. The initial transition went smoothly with no reported issues.

Corizon

Corizon IT has had a presence at this complex today. The regional Vice President has been in contact via e-mail and phone with the Site Manager.

Grievances

One new grievance. There are no outstanding grievances.

Off Site Specialty Appointments

There was a surgical procedure that was scheduled to be done last week. It was canceled by the specialty clinic. The report of this will be forwarded to Health Services Central Office staff.
