☐ Yes ☒ No

74. (Optional) Please provide any additional comments regarding the reporting of concerns related to interview or interrogation techniques, detention practices, or other detainee treatment. Because the above questions 68-74 did not have a Don't recall option I answered no to all questions. However, I may have mentioned the naked picture and warm room incidents to an OSI supervisor, name not recalled, or to FBI SSA [redacted] but I do not recall. The incidents reported by detainee ISN 682 may have been documented in my FD-302, but I don't recall. We did not give the detainee acquisitions a lot of credibility, as we had not seen or heard from other sources that the detainee claims had occurred.

PART VI: DEBRIEFINGS AND RECOMMENDATIONS

75. Were you debriefed, other than the standard debrief in FD-772, concerning your overseas assignment(s) or deployment(s) after you completed the deployment(s) or assignment(s)?

☐ Yes ☒ No

76. Additional Comments and Recommendations:

From my observations of the cells and the appearance of the detainees that I observed, I did not see any indications that they had been treated unfairly. I had heard from some US Army people that some detainees had gained weight and commented that they had better living conditions than at home.
