TIEGHNIQUES AND OTHER TYPES OF DETAINED TREATMENT

Introduction to Part III: In this section, we are seeking information regarding a wide range of interview or interrogation techniques and other types of detainee treatment alleged to have occurred. You should not assume, just because we are asking about a particular technique or practice, that we have concluded that it in fact occurred. We recognize that some of these techniques or practices may at times be necessary for safety and security in a detention setting. In addition, we recognize that some of these techniques or practices may have been authorized for use by military or other government personnel.

With respect to each identified technique, practice, or type of conduct described below, we are seeking information about its occurrence during or in connection with the interview or interrogation of a

detainee, or during the detention of a detainee beyond what is needed for safety and security. In that context, we will ask you to tell us whether one or more of the following statements are true: 1. I personally observed this conduct. 2. I observed detained(s) in a condition that led me to believe that this conduct had occurred. 3. Detainee(s) told me that this conduct had occurred. 4.
