26. Please provide any additional information concerning training for overseas deployments or assignments of FBI personnel you believe is relevant.

Perhaps since this has become an interest to the USG, prior to deployment, personnel at the FBT Academy could address the proper channels to report any mis-conduct and to of course, go over the proper conduct, what is acceptable, and what isn't. This is to include what the UN accepts in a time of war, etc. I do not know if some methods of interrogation, treatment are/are not acceptable and may not know if I need to report something.
