The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

**APPROVE AMENDMENT NUMBER 9
FOR AUTHORIZATION OF EXTENSION OF AGREEMENT NUMBER 74376
WITH COMPASS GROUP USA, DBA (IN CALIFORNIA) COMPASS GROUP FOOD
SERVICES, DBA CANTEEN VENDING SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

This Board letter serves to execute Amendment Number 9 to Agreement Number 74376, which will extend the current Agreement for an additional period of performance. The current Agreement with Compass Group USA, DBA Compass Group Food Services, DBA Canteen Vending Services, (Canteen Vending Services) will expire on August 17, 2008, and this extension period will enable the Los Angeles County Sheriff's Department (Department) to complete a Request For Proposals (RFP) solicitation process for a new Agreement for cashless vending machine services for inmates without interrupting the current revenue-generating, vending machine service Agreement.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair of the Board to sign the attached Amendment Number 9 to revenue generating Agreement Number 74376 with Canteen Vending Services to continue providing vending machine services to inmates being held in Department detention facilities, utilizing debit cards. The proposed Amendment will extend the Agreement for a period of one (1) year, with a six (6) month option, in any increment.

A Tradition of Service

2. Authorize the Sheriff, or his designee, to execute applicable documents when the original contracting entity has merged, been purchased, or otherwise changed; and to execute Amendments to meet the needs of the Department, including the above extension provision, if it is in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of this action will ensure that there is no interruption of debit-card vending machine services to inmates being held in Department detention facilities and that the revenue generated from these vending machines is not delayed. Also, the extension will allow the Department to complete its solicitation process for a new cashless, inmate-only, vending machine service Agreement.

Implementation of Strategic Plan Goals

The services provided under this Agreement support the County's Strategic Plan Goal 1, Service Excellence; Goal 3, Organizational Effectiveness; and Goal 4, Fiscal Responsibility by continuing to allow inmates to have access to the revenue generating vending machines and, thereby, increasing the funds that support various programs and projects for inmates.

FISCAL IMPACT/FINANCING

This is a revenue generating Agreement. The Contractor pays the Department a commission of 35.5 percent of the total gross of vending machine sales on a monthly basis. Revenue generated is deposited into the Department's Inmate Welfare Fund, which is used to fund various educational and recreational programs and projects that benefit the inmates.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Sheriff is authorized under Penal Code 4025 to operate a store in detention facilities to allow inmates to purchase goods, supplies, and certain personal articles. Pursuant to this provision, the products sold in the debit-card vending machines are for inmates only. The types of products being sold through debit-card vending machines include, but are not limited to:

- Snack items, such as candy, chips, cookies, and trail mixes;
- Cold plastic bottle beverages that include, but are not limited to, sodas, water, sport drinks, and fruit juices;
- Over-the-counter medications, which are available in individual packets.

The Department released a Request For Information (RFI) on May 30, 2008, seeking information on cashless vending machine services that are currently available and any emergent technology planned for implementation within the next year, such as wireless technology. Based on the information gathered from the RFI, the Department is developing and will release an RFP to solicit for an Agreement with a vendor to provide cashless inmate vending machine services.

Canteen Vending Services is in compliance with all Board, Chief Executive Office, and County Counsel requirements.

County Counsel has reviewed and approved Amendment Number 9 as to form.

Except as expressly provided in Amendment Number 9, all other provisions and conditions of the Agreement will remain the same and in full force and effect.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these actions will ensure uninterrupted vending machine services for inmates who are in the Department's custody. Additionally, it will enable the Department to maintain its Inmate Welfare Fund, which is the principal source of funding for educational and other programs to benefit the inmates.

CONCLUSION

Upon approval by your Board, please return three (3) adopted copies of this action and three (3) adopted copies of the Amendment to the Department's Contracts Unit.

Sincerely,

LEROY D. BACA
SHERIFF
