DEFINITIONS AND FORMULAS

Felon First Releases to Parole: Felon first releases to parole include new admissions and parolees returned with a new court commitment, but exclude commitments paroled directly from court.

Time Served in CDCR Institutions (CDCR Months): The time served, in months, in a CDCR institution. The time is calculated from the date of admission to a CDCR institution to the date of first release to CDCR parole.

Time Served In Custody Prior to CDCR (Jail Months): The time served, in months, in non-CDCR custody (primarily jail custody). This time is a sum of the time spent in a jail, in a CDCR institution for a 90-day evaluation, in a mental health facility or at the California Rehabilitation Center as a Civil Narcotic Addict prior to admission to a CDCR institution as a felon.

Total Time Served on Prison Sentence (Total Months): The time served in a CDCR institution plus the time served in custody prior to admission to a CDCR institution.

Principal Offense: The controlling offense designated by the court as the base term, usually the offense that keeps the offender in custody the longest period of time.

In Date: The date an offender enters a CDCR institution. (See formula on the next page).

Out Date: The date an offender is first released to parole. (See formula on the next page).

Start Date: The date the state prison term begins. This date is used for calculating the release date from CDCR. (Note: In most cases, the Term Start Date and the In Date are the same.)

Xdays: The number of days on escape from an institution. (Note: These days are deducted from the CDCR months served.)

P1203.3: Represents time spent in CDCR custody for a 90-Day evaluation. At the time of evaluation, the offender has not been sentenced to prison. The court is asking CDCR to evaluate the offender and make a recommendation as to the disposition of his case, e.g., probation or a commitment to state prison.

P2900.1: Credit for time spent in CDCR custody on a case for which the offender was resentenced. (For example, the case for which the offender was originally sentenced was vacated or recalled and the offender was resentenced on the same case. CDCR discharged the old case and applied the credit for time served in CDCR to the new case. CDCR can administratively grant this credit, if the court neglects to grant it.)

DEFINITIONS AND FORMULAS

P2900.5: Credit granted by the court at sentencing and represents credit for time served in a non-CDCR facility prior to sentencing.

CRC-Credit: Credit for time served on a case for which an offender was committed to the civil narcotic addict program and spent time at the California Rehabilitation Center. If the court or CDCR decides that the CRC program is not working for an offender, the judge can exclude the civil addict commitment and sentence the offender to state prison as a felon commitment. Any time previously spent at CRC is applied to the felon term.

Mental Health: Credit for time served on a case for which an offender was committed to a mental health facility. If the court, or CDCR decides that the offender should be sentenced to state prison as a felon commitment, the time previously spent at a mental health facility is applied to the felon term.

Post Sentence Credit: Credit for the number of days an offender spends in local custody between the date of the court commitment and the date of arrival at a CDCR institution. CDCR administratively calculates and applies this credit.

FORMULAS FOR CALCULATING CDCR TIME AND IN CUSTODY PRIOR TO CDCR

CDCR TIME

$CDCR\ TIME = (Out\ Date - In\ Date) - (X\ DAYS)$

Out Date = Date of Release to Parole

In Date = Date of Admission

XDAYS = Days on Escape

IN CUSTODY PRIOR TO CDCR

$IN\ CUSTODY\ PRIOR\ TO\ CDCR = Sum(P2900.5, Mental\ Health, CRC, Post\ Sentence, P1203.03)$

DEFINITIONS AND FORMULAS

NOTE:

1. Because “resentenced time” is already included in calculating CDCR time, the P2900.1 credits are not included in the CDCR time formula.
2. The P2900.5 credits for a parole violator returned with a new term, whose return status at the time of admission to CDCR custody was a parole violator returned to custody (PRTC) or pending revocation (PENDREV), are included in CDCR time. If the P2900.5 credits exceed the time between the In Date and the Start Date, the remaining credits are added to the time served in custody prior to CDCR.
3. Inmates with missing offense information are not included in time served computations.
4. The “Total” of “Total Paroled” includes all felon first releases, including those with missing offense information. Means and medians, however, were only calculated for releases without missing information.
5. The means and medians for non-CDCR custody and CDCR months served may not add to the total months served due to independent calculation and/or rounding.
6. Beginning in 1998, some penal code sections that were under the Manslaughter category, involving vehicles, were placed under Vehicular Manslaughter category. This has led to a decrease in Manslaughter and an increase in Vehicular Manslaughter releases to parole in 1998.
