AMENDMENT #2: Additional Petitioners

Petitioners by their co-counsel filed the original "Petition of Recipients of Collect Calls from Prisoners at Correctional Institutions in Massachusetts Seeking Relief from the Unjust and Unreasonable Cost of such Calls" (Petition) with the Department of Telecommunications and Cable (DTC) on September 1, 2009. In a letter to co-counsel Massachusetts Correctional Legal Services dated September 29, 2009, the DTC requested clarification of Petitioners' status and suggested that additional information about the quality of service would be helpful to the DTC in making its determination. In response, Petitioners filed Amendment #1 and Supplement on Quality of Service on May 18, 2010. In a meeting on February 3, 2011, regarding the timeline for docketing the petition, the DTC suggested that the inclusion of additional petitioners would assist the DTC in making its determination.

Accordingly, Petitioners request that the following individuals are hereby added as
