was," Gonzalez told Madera Online.

A photo shot of officer Marcie Noriega with another suspect taken just minutes before the fatal shooting of Everado Torres shows the position of her service weapon and Taser weapon.

The Taser is on her thigh about three inches from her knee. Her Glock 23 hand gun is on her waste towards her back. The actual distance between both weapons is nearly one foot.

The Torres family has no interest in mediating or settling this case with the city of Madera until all the facts are known. "You could write me a check today for \$10 million
